Attention!

- All edited photos include basic correction, such as exposure, contrast, white balance, and sharpness.
- Skin tone adjustment is applied to ensure natural and consistent skin colors while maintaining the subject's original character.
- Colour style can be added based on the concept or request and is optional.
- The editing process is done professionally without excessive alteration of facial or body features.
- Maximum of one (1) revision is allowed for the editing process.
- A 50% down payment (DP) is required and must be paid no later than 2 days before the photoshoot.
- Any schedule changes are allowed with a maximum notice of 2 days before the photoshoot date.
- Google Drive download link will be sent after full payment has been completed.
- The Google Drive link will be available for a maximum of 2 months after it is shared. (Don't forget to grab all the footage before time's up.)
- We are not responsible for any loss of files after the 1-month period once the files have been delivered. Please make sure to download all file!
- Once the down payment has been made, it is considered that the client has agreed to all terms and conditions stated above.
